Help Us Get To Know You

Tell us about your family and help us understand what's important to you as a parent. Give us some insight into your child and let us in on the special relationship you have with him/her.

The more we know about your wants and needs, the richer we can make your child's Providence Catholic Preschool and Learning Center experience.

Parent Interview:

1. Tell us why your child is special.
2. What kinds of things do you and your child like to do together?
3. Is this your child's first preschool/daycare experience? If so, how often has he/she been away from you or his primary caregiver?
4. How much interaction has your child had with children his/her own age? What age group does he/she typically play with?
5. What are your goals for your child at Providence Catholic Preschool and Learning Center?
6. What are your child's best and worst times of the day?
7. How many siblings does your child have and what are their ages?
8. Use five words to best describe your child?

Thank you
